Bekmuhamet Amedov

87029412919 | amedov.bekmuhamet@gmail.com | Nursat 51, Shymkent, South Kazakhstan Province

Summary

- My name is Bekmuhamet and I'm a guy interested in science, technologies and engineering. Now I'm working in the field of web-technologies, things that live on the Internet. My journey started in 2019, where I was firstly introduced to the world of programming & IT. I really love what I do, but also I try to develop and improve myself in different fields of human activity.
